AMERICAN B763 NEAR LONDON ON NOV. 28TH 2015, CRACKED WINDSHIELD

News / Airlines

An American Airlines Boeing 767-300, registration N393AN performing flight AA-199 from Milan Malpensa (Italy) to New York JFK, NY (U.S.), was enroute at FL320 about 170nm south of **London Heathrow, EN (UK),** still in French Airspace, when the **crew reported a cracked windshield** and initiated a rather normal descent to FL120. During the descent the aircraft turned north to divert to London Heathrow, where the aircraft landed safely 27L about 50 minutes after leaving FL320.
