# 3 MORE AIRCRAFT ADDED TO TAG GLOBAL FLEET

**News / Business aviation**

**TAG Aviation expands the fleet with the addition of three exceptional aircraft, enhancing their charter services across Europe and Asia. Warm welcome to Dassault Falcon 2000 LXS, Embraer Phenom 300E and Gulfstream G450, each offering unique features and unparalleled comfort for TAG's esteemed clientele. Falcon 2000 is renowned for its advanced technology and spacious cabin, ensuring a luxurious and productive travel experience. Phenom 300 impresses with its outstanding performance and elegant design, perfect for both business and leisure trips. G450 stands out with its long-range capabilities and superior reliability, providing peace of mind for passengers.**

Jo Goodall, CEO, TAG Aviation Europe commented: "Speaking on behalf of TAG globally, we are excited to be extending our fleet with 3 very different aircraft to what is already a distinguished fleet of over 70 aircraft. We were fortunate enough to add 12 aircraft to the fleet last year so these additional aircraft reinforces a very positive start to 2024 and long may it continue."

These new acquisitions reflect TAG Aviation's dedication to providing the highest standards of safety, convenience, and service excellence. They are committed to offer clients more options for their travel needs as well as being backed by over half-century legacy of aviation expertise.

TAG Aviation has been at the forefront of private and business aviation since the 1960’s, when it was founded in Switzerland. The company continues to offer tailored solutions to meet the individual requirements of aircraft owners and charter clients, ensuring Swiss precision still along with a personalized focus on aircraft operation.
