DC AVIATION APPOINTS EXKLUSIV AVIATION AS REGIONAL AGENT

News / Business aviation

DC Aviation has appointed Exklusiv Aviation regional agent for the United Kingdom, and the Western and Southern parts of Switzerland.

“As Germany’s largest business jet operator with branches in Dubai, Zurich, Malta, and Moscow, we are excited to announce this new regional representation because we strongly believe that adding a regional presence to our global capabilities is a logical step to enhance our service and proximity to our clients and partners.” said Michael Kuhn, CEO, DC Aviation.

“To enter into a co-operation with DC Aviation, which is a large, well organized, and effectively structured operation with a very knowledgeable and thorough team of more than 300 employees, is a very positive step for Exklusiv Aviation. We look forward to showing our clients, friends, and partners that passion and thoroughness are still very much part of business aviation.” said Philippe Fragnière, Exklusiv Aviation.
