RAIFFAISENBANK: RUSSIA'S UTAIR FINISHES DEBT RESTRUCTURING

News / Finance

Russian airline UTair has fully restructured its 160 billion ruble debt, a representative for the restructuring consultant Raiffaisenbank told PRIME Tuesday.

"Yes, we confirm that the deal is over," the representative said.

In November, the airline signed a deal with a syndicate of 11 banks to restructure a 43 billion ruble debt.
