

ACIA AERO LEASING DELIVERS FIRST OF TWO ATR72-600S TO EMERALD AIRLINES

News / Airlines, Finance

ACIA Aero Leasing announced the delivery of the first of two ATR72-600 passenger aircraft in 72-seat layout on lease to Emerald Airlines, the exclusive operator of Aer Lingus Regional services. With the addition of these two aircraft, Emerald Airlines will operate a total of 20 ATR72-600s.

Mick Mooney, ACIA's Chief Executive Officer commented: "We are continuing to strengthen our customer footprint and are delighted to welcome Emerald Airlines as a new lessee for ACIA. Emerald Airlines have grown steadily over the last few years and we are proud to add them to the ACIA family."

Commenting on the announcement, Richard Spencer, Chief Operations Officer at Emerald Airlines stated: "The delivery of the first aircraft under this contract, which will join our Dublin-based fleet, will continue to enhance the resilience and reliability of our operations. As we continue to expand our service offerings across our route network, we look forward to building a strong and successful partnership with ACIA Aero Leasing."

Based on data from the UK Civil Aviation Authority's Trends Report for 2024, Emerald Airlines was named the most punctual airline in the UK, 2024.

Established in 2021, Emerald Airlines serves as the exclusive operator of the Aer Lingus. Regional route network, providing connectivity to and from Ireland, the UK, and France. Recognised as Aviation Company of the Year, the airline offers a comprehensive range of services, including franchise operations, wet leasing, and private charter flights. Based on data from the UK Civil Aviation Authority's Trends Report for 2024, Emerald Airlines was named the most punctual airline in the UK, 2024.
