MONARCH AIRCRAFT ENGINEERING: LINE MAINTENANCE FOR AUSTRIAN

News / Maintenance / Trainings

Monarch Aircraft Engineering Limited (MAEL), the engineering division of The Monarch Group, announces a line maintenance technical handling agreement with Austrian Airlines.

The agreement, which commenced on 15th December 2015 is to provide call out support to the Austrian operator's Airbus A320 and Embraer E195 flying program into Manchester Airport.

Commenting on this agreement, Neil Kirby, Sales Manager for Monarch Aircraft Engineering said: "We have great experience on the Airbus A320 and Embraer E195 aircraft and look forward to delivering excellent service for our latest customer Austrian Airlines."
