STTS, EXTENDS ITS SERVICE OFFERING AND BUILDS NEW PAINTING HANGARS IN TOULOUSE

News / Maintenance / Trainings

STTS, (a Finaero company) leading expert in aircraft painting & sealing announces the launch of three purposely built paint hangars at its **Toulouse** Blagnac sites.

In order to respond to growing market demand, STTS is investing in a 60 million euros project that will accommodate three further painting bays, more specifically:

Two 10.000m2 hangars accommodating wide body aircraft and

One 2600m2 hangar dedicated to narrow body aircraft.
