AAT TO HANDLE CARGO FOR JETSTAR PACIFIC

News / Airlines

Asia Airfreight Terminal (**AAT)** has established a service partnership with low-cost airline, **Jetstar Pacific** Airlines, a carrier based in Vietnam.

AAT explains it secured a multi-year cargo handling contract from Jetstar Pacific in September 2015 and it commenced the provision of cargo handling services to Jetstar Pacific at Hong Kong International Airport from 7 September 2015.

Jetstar Pacific operates four-times weekly services between Hanoi (Vietnam) and Hong Kong with an Airbus A320 aircraft.

The inaugural flight of Jetstar Pacific between Hanoi and Hong Kong took place on 7 September.

AAT general manager, Khaw Hock, extended his best wishes to Jetstar Pacific on their significant expansion in Hong Kong and adds AAT values the partnership and is committed to providing excellent services to the airline.

AAT is now serving more than 60 international airlines from around the world.
