JETWASH TAKES UP RESIDENCE AT LONDON BIGGIN HILL AIRPORT

News / Airports / Routes, Business aviation

London Biggin Hill is announcing specialist aircraft cleaning company, JetWash, is opening an office in the airport's new Terminal Hangar 2.

JetWash, which offers a wide range of valet services for every type of executive jet, will be one of the first tenants to take up residence in the hangar's 10,000 square foot office complex.

Andy Patsalides, marketing manager at London Biggin Hill Airport, says: "As the only dedicated business aviation airport in London, Biggin Hill is ideally located as an aircraft home base, providing an extensive range of MRO and support services. With JetWash opening an office here, aircraft owners and operators will have access to a full range of detailing services, including interior and exterior cleaning and brightwork polishing, from one of the leading private jet valeting services in the industry.

“With 70 aviation businesses on site, London Biggin Hill is firmly established as the primary centre for aerospace in the capital. Meeting the needs of our resident companies and their customers is a top priority for us.”

London Biggin Hill Airport is located 12 miles from central London and offers award-winning VIP handling, a choice of FBOs, extensive hangarage, support and maintenance services for all ranges of business jets.

A designated UK Port of Entry, Biggin Hill is free of runway slot constraints. An exclusive six-minute helicopter transfer service to and from the heart of London makes it the fastest transfer of any London airport.

Biggin Hill is the only dedicated business aviation airport within the capital and is already home to over 65 commercial and aviation activities.

There are very few places in the world other than Biggin Hill where aircraft operators and support companies can conduct all aspects of their business operations, management and maintenance at the heart of a global city and with the confidence in their ability to expand and develop over time.
