S7 AIRLINES OPENS FLIGHTS TO RHODES

News / Airports / Routes

S7 Airlines, a member of the oneworld® global aviation alliance®, announces opening new flights to Rhodes Island (Greece). Air tickets are already available for purchase.

S7 Airlines will operate direct flights from Moscow to Rhodes from 28 April 2016 up to three times a week – on Tuesdays, Thursdays and Saturdays.

Flight S7-617 will depart from the Moscow Domodedovo Airport at 12:05 and arrive at the airport of Rhodes at 16:00 local time. Return flight S7-618 from Rhodes will depart at 16:50 and arrive in Moscow at 20:35.

Flights to Rhodes will be operated on modern comfortable Airbus A320 family liners equipped with economy and business class cabins.

“For several years the popularity of Greek resorts among Russian tourists has been permanently growing. Taking into consideration the increasing passenger turnover during the summer high season, S7 Airlines will operate three flights a week. For the convenience of passengers going for a trip from Russian regions we planned the schedule of flights to Rhodes so that passengers could choose options of a convenient connection at the Domodedovo Airport, and purchase a multi pass for such flight”, Igor Veretennikov, S7 Group Strategy Director, noted.
