ORIENS AVIATION TO ATTEND THE GOODWOOD FESTIVAL OF SPEED 2016

News / Business aviation

Oriens Aviation, the UK distributor for Pilatus will attend the Goodwood Festival of Speed from 23 – 26 June 2016.

Edwin Brenninkmeyer, CEO of Oriens Aviation, confirmed that the exhibition will be one of the first chances for people to see the superior new version of the PC-12 NG that will offer a quieter cabin and a greater range, with no increase in fuel burn or operating cost during a meeting with Lord March at Goodwood House.

“The Goodwood Aviation Exhibition is now an essential within our marketing plan to generate sales leads and its growth over the years is well deserved.”

Brenninkmeyer said: “The Goodwood Aviation Exhibition is now an essential within our marketing plan to generate sales leads and its growth over the years is well deserved. The new 5 blade Hartzell propeller and other performance boosting features are fitted as standard to all new PC-12s.”

Lord March said that he welcomed the return of the Pilatus team. “We are very pleased that Oriens Aviation has chosen to continue supporting the Aviation Exhibition at the Festival of Speed, with the enhanced Pilatus PC-12 NG. It is a fantastic aircraft and the enhancements will no doubt prove very popular.”
