BELL DELIVERS CUSTOMIZED BELL 505 TO ALL MOTORS BRAZIL

News / Business aviation, Manufacturer

Bell Textron successfuly delivered customized Bell 505 to All Motors Brazil, a Brazilian luxury automotive dealership. For over 30 years, All Motors Brazil has imported luxury cars from around the world to be sold in the Brazilian market. With their recent purchase of the Bell 505, the company plans to enable rapid responses to business needs by using the aircraft for corporate transportation. Aside from its performance capabilities, All Motors Brazil's Bell 505 boasts a unique exterior design requested by the customer to match the teal blue color of one of the dealership's most prized automobiles – a 2023 Lamborghini Aventador SVJ Roadster.

John Ramos, managing director of Latin America, Bell commented: “Bell is proud to share that All Motors Brazil has chosen Bell to expand its corporate transportation capabilities. The Bell 505 will be a great addition to All Motors Brazil’s growing fleet, and we look forward to adding more 505 operators in Latin America.”

Edmundo Pedroso, owner of All Motors said: “We are excited to integrate the Bell 505 into our fleet. This aircraft will be instrumental in meeting our corporate transportation needs and providing our customers with a comfortable and time-saving travel experience, in-line with All Motors’ high standards.”

In the Southern Cone, there are more Bell 505s in operation than any other area in Latin America. The Bell 505 is marked as one of the most versatile platforms in the short light single class for its wide panoramic windows, open cabin design, and exceptional range. Whether it’s for corporate transport, sightseeing, or adventure-seeking, the Bell 505 continues to be an aircraft of choice in the corporate market.
