Piper Aircraft, Inc. and OK Aviation Sales announced today that they have expanded OK Aviation's territory to include Bulgaria and Romania. OK Aviation has been a Piper Dealer for nearly 20 years providing sales and product support to the country of the Czech Republic, Hungary, and the Slovak Republic.

"For many years OK Aviation has been a proud and highly satisfied dealer of Piper products. This latest expansion of our territory provides OK Aviation with the opportunity to communicate the benefits of Piper's wide range of products to prospective owners in Bulgaria and Romania", said OK Aviation's CEO, Lubomir Cornak.

"OK Aviation's reputation, knowledgeable personnel and full service operation provide an ideal foundation for growing sales and providing support of new Piper airplanes in this important region," said Piper Vice President of Sales, Marketing, and Customer Support, Ron Gunnarson. "We are delighted to expand OK Aviation's territory and continue to work with them as we continue to grow the aviation market within these key Eastern European countries.

OK Aviation Group consists of a group of companies operating in the field of general aviation. They offer sales of private aircraft and aviation supplies, as well as various aviation services. They represent the top international brands in the field like Bose, David Clark, Dynamic, Garmin,
