Denzil has more than 28 years' experience in business aviation. He was one of the co-founding partners of ExecuJet and was instrumental in growing this business into a highly respected international company, managing, operating and maintaining more than 150 aircraft. Upon moving to Asia in 2012, Denzil served as the Director Operations for Metrojet and the CEO of Hongkong Jet. During his four-year tenure at Hong Kong Jet, the company enjoyed significant growth and attained it's IS-BAO Level III safety rating. Denzil is presently a Board of Governor for the AsBAA and ex-chairman of the AsBAA Hong Kong Chapter. He holds an Airline Transport license, flying instructor rating, designated examiner and test pilot certificate, with 9,500 accident free flight hours.

"I am extremely delighted to have Denzil re-joining the Metrojet team. He returns with tremendous market knowledge and experience and I look forward to working alongside Denzil to continue to grow and expand our business together in the Hong Kong S.A.R., mainland China and South East Asia," said Mr. Gary Dolski, Chief Executive Officer of Metrojet.

Established in 1995, Metrojet pioneered business aviation services in Hong Kong and remains one of the most renowned safety and customer-focussed business jet companies in Asia Pacific. Metrojet provides comprehensive and seamless solutions across the full spectrum of business aviation services, including aircraft management, maintenance, charter and aviation consultancy services.
