VECTOR AEROSPACE HIRES NEW REGIONAL SALES MANAGERS FOR ASIA AND EUROPE

News / Personalities

Vector Aerospace has hired two **new regional** sales managers to join the Vector rotary-wing sales team to grow business in both **Asia and Europe**. Regional Sales Manager, Asia – Lewis Ho was previously a Business Development and Sales Director for UTC Aerospace Systems Aerostructures Division selling reverse thrusters, pylons and other polymer products for commercial and military fixed-wing aircraft. Regional Sales Manager, Europe – Matjaz Zaccaria, a former Customer Support and Service Manager for AgustaWestland Helicopters, was the key account manager for International and European offshore operators such as Bristow Helicopters, Bel Air Aviation with a number of AW139s currently in operation supporting also the AW189 helicopter entry into service.
