THE ANNIVERSARY HELIRUSSIA 2017 HAVE SET AN ABSOLUTE RECORD

News / Events / Festivals

The anniversary 10th International Helicopter Industry Exhibition HeliRussia gathered a record exhibition - **237 companies from 21 countries** will participate in the expo, **22 helicopters, 2 gyroplanes and 15 UAVs to be displayed**, the business program includes **60 events**. Venue of the event is 12.4 thousand square meters. All of these sets an absolute record for the entire history of the expo since 2008.

HeliRussia 2017 is held in accordance with the order of the Russian Government, its organized by the Ministry of Industry and Trade of Russia. **Russian Helicopters** is the title sponsor of the event and **Exclases Holdings** (regional **Leonardo Helicopters** dealer) is the official partner of the expo.

HeliRussia 2017 participants are representing **21 countries**, namely: Australia, Belarus, Belgium, China, Czech Republic, Estonia, Finland, France, Germany, Great Britain, Israel, Italy, Libya, Lithuania, Malta, Netherlands, Norway, Russia, South Africa, Spain and USA. Overall, **50 international companies** are taking part in the expo. French companies are represented at the united **national stand**.

As the prominent government officials and heads of leading enterprises have noted in their speeches about the expo, the importance of HeliRussia for the helicopter industry and international cooperation is growing year by year, and the expo annually demonstrates interesting novelties and developments.

Among the helicopters to be displayed there are several new Russian models that may be of special interest: new transport **Mi-38T** and **Mi-171A2** along with **Ansat** in VIP and medevac configurations, **Ansat-RT** with a new set of avionics. Also a flight prototype of the ultralight **Afalina** helicopter to be displayed, the new **Micron** air scooter, as well as two premieres: two models of **Ventocopter** project and eco-friendly **ECOX7 Greenfly**.

Among international models, certain attention to be turned to the multirole **Bell 407GXP** (produced in Russia under license) and to **Leonardo AW189** in offshore version, localized production of which in Russia is also being considered. The medevac **Airbus Helicopters H145** will be shown – this model is in high demand among Russian medical institutions.

The amount of **UAVs** of Russian and international make on display grows at HeliRussia every year. This year several prominent models to be shown. For example, the **unmanned tiltrotor** developed by VR-Technologies (Russian Helicopters subsidiary) and innovative UAS YURIK, fixed-wing CopterExpress, Geoscan 201 and SuperCam S350 drones, Lehmann Aviation LA-500, as well as the Russian premiere of several models from the Chinese Sunic.

During all three days of the expo the spectacular **"HeliRussia Drone-Racing Cup"** to be held on the micro-UAVs racing track.

Among business program events there are a set of important conferences, such as: "HEMS – 2017", "Aviation and environment", "Aircraft avionics", Helicopter market: realities & prospects", "Industry of unmanned aircraft systems", "Equipment and operation of helipads" and "Safety flight of light helicopters"

The scale of the event involves the demonstration of a comprehensive range of products and services of the helicopter industry. Industry professionals, students, aviation enthusiasts and media representatives will find interesting and useful events in HeliRussia 2017 program. Thanks to the contribution of its participants and to support at the highest level, HeliRussia 2017 has grown to the largest industry expo in Europe and North Asia, it is visited annually by more than 11 thousand people.

The expo to be held in Moscow in the Crocus Expo IEC from May 25 to 27.
