

AIRBALTIC PASSENGER GROWTH REACHES +28% IN JULY

News / Airlines

airBaltic in July 2019 has transported 578 340 passengers or 28% more than last year to its network spanning Europe, Scandinavia, Russia, CIS and the Middle East.

Martin Gauss, Chief Executive Officer of airBaltic: “Each year July is the very peak of our summer season, and July 2019 has set a new growth record – +28% more passengers travelled with us. We are proud to offer our passengers not only wide variety of destinations, but also reliability and high customer service standards.”

During July 2019, **airBaltic** has operated 6 202 flights or 18% more than in July 2018. The airline’s load factor, which represents the number of passengers as a proportion of the number of available seats, was at a level of 86% in July 2019.
