

# AIRBALTIC – RECORD PASSENGER GROWTH IN THE BALTIC REGION

News / Airlines

In the first five months of 2017, the Latvian airline *airBaltic* has transported 29% more passengers from Lithuania and Estonia compared to the same period a year before.

From January until May, *airBaltic* has transported a record number of passengers – 146,116 customers from Estonia, the highest number since the beginning of operations in Estonia. In the meantime, *airBaltic* has transported 136,270 passengers from Lithuania throughout its network spanning across Europe, Scandinavia, Russia, CIS and the Middle East.

Wolfgang Reuss, SVP of Network Management of *airBaltic*: “We are happy that more and more customers from Lithuania and Estonia are choosing *airBaltic* as their home carrier. We offer the best connectivity in and out of Estonia and Lithuania, as *airBaltic* serves a combination of direct flights and convenient transfers via our main hub in Riga to Europe, Scandinavia, the Middle East and the CIS.”
