

ETIHAD AIRWAYS TO INTRODUCE BOEING 787 DREAMLINERS TO ROME AND FRANKFURT

News / Airlines

Attention! From 1 June 2019, Etihad Airways will introduce a new two-class Boeing 787-10 Dreamliner, the largest variant of the technologically advanced aircraft, on its scheduled daily morning service from Abu Dhabi to Rome, complementing the second overnight 777-300ER departure. On 1 July, the airline will introduce the Boeing 787-9 Dreamliner on its two daily services to Frankfurt.

The two-class 787-9 features Etihad Airways' next-generation Business and Economy Class cabins, configured with 299 seats - 28 Business Studios and 271 Economy Smart Seats. The 336-seat 787-10 features 32 Business Studios and 304 Economy Smart Seats.

Robin Kamark, Chief Commercial Officer, Etihad Aviation Group, said: "Rome and Frankfurt are two very important cities on the Etihad global network and have been popular with business and leisure customers alike. The introduction of more state-of-the-art 787s to our fleet is allowing us to further enhance the inflight experience, giving our guests the opportunity to enjoy the most highly customised Dreamliner cabins in the world, upgraded entertainment systems and connectivity, and our acclaimed service and hospitality.

About the Etihad Airways Boeing 787 Dreamliner (two-class 787-9 / 787-10)

Etihad Airways' modern fleet of Boeing 787 Dreamliners aircraft features innovative, award-winning cabin designs and products, complemented by the airline's acclaimed service and hospitality offering. Flights to Rome and Frankfurt include Food and Beverage Managers in Business Class and a Flying Nanny in Economy Class to provide extra specialised care for families with young children.

The Business Studios offer direct aisle access, a fully-flat bed of up to 80.5 inches in length, and an increase of 20 per cent in personal space. Upholstered in fine Poltrona Frau Leather, the Business Studio is equipped with an in-seat massage and pneumatic cushion control system which enables guests to adjust the firmness and comfort of their seat.

Each Business Studio has an 18-inch personal touch-screen TV with noise-cancelling headsets.

Guests can also enjoy mobile connectivity, onboard Wi-Fi and seven satellite channels of live TV.

Economy Smart Seats provide enhanced comfort with a unique 'fixed wing' headrest, adjustable lumbar support, a seat width of approximately 19 inches and an 11.1" personal TV monitor on each seat. The aircraft has been designed with enhancements including humidity controls while air pressure levels are set to ensure a smoother flight, allowing guests to arrive feeling fresher.

The airline's Boeing 787 fleet is equipped with the latest inflight entertainment system featuring over 750 hours of movies and programmes, as well as hundreds of music choices and a selection of games for both adults and children.
