

GREENLAND EXPRESS: DEPARTURES CANCELLED THE REST OF 2015

News / Airlines

Dear travelers with Greenland Express Air,

It is with great regret that we unfortunately see us forced to cancel all flights between Denmark and Greenland rest 2015. This means, unfortunately, that we can not provide the transport service you have purchased from us.

Payments for purchased tickets will be refunded as soon as possible, and directly from the credit card companies or banks that are used in connection with the payment.

We are working to create lasting solutions to the challenges that prevent us from flying our scheduled program this year. Once these challenges have been overcome, we will return with a detailed explanation.

Greenland Express Air deeply regret the inconvenience to our passengers by cancellations ensued.
