

HEBEI AIRLINES RECEIVES NEW BOEING 737-800 AIRCRAFT

News / Airlines

A brand new Boeing 737-800 aircraft officially joined the fleet of Hebei Airlines (NS) as it landed smoothly at Shijiazhuang Zhengding International Airport (SJW) at 12:42 p.m. on September 20. The arrival of new 737 aircraft, Registration B-5459 expands the Shijiazhuang-based carrier's fleet to 13, including six 737-800s, two B737-700s and five E190s.

The 737-800 aircraft is configured with 170 seats including 8 first-class seats and 162 economy-class seats. After some routine checks, the aircraft will be put into operation soon.

It's learned that Hebei Airlines is set to introduce one E190 aircraft within this year. According to the aircraft introduction plan, the airline is scheduled to receive five aircraft every year, increasing its fleet over 40 aircraft by the end of 2020.
