

MAYFAIR JETS TRUSTS EUROAIRLINES TO DISTRIBUTE ITS FLIGHTS IN MORE THAN 60 COUNTRIES

News / Airlines

Mayfair Jets and Euroairlines have signed a distribution agreement that allows the Arab airline to market its flights through travel agencies in more than 60 countries. The Spanish company, through its IATA Q4-291 plate, will distribute Mayfair Jets flights in Europe, Africa, Latin America and Asia thanks to its presence in more than 30 BSPs markets. These flights will be available on the main global distribution systems where Euroairlines is present, such as Amadeus, Sabre and Travelport. The company offers flights to Italy, Egypt, Dubai, Hong Kong, Egypt and Turkey, among other destinations. Between their offers there are flights between Marsa Alam & Sharm el-Sheikh in Egypt and Naples , Milano , Verona Bari in Italy. In additional all routes out of German, Austrian and Swiss markets to Spain and Hurghada, Sharm El Sheikh.

The airline operates a fleet of four wide-body charter aircraft, including two Boeing (737-800 and 737-400) and two Airbus (A320 and A321) aircraft seating an average of 170 passengers. In addition, it offers private jet services in a 12-passenger Bombardier Challenger 650, a 13-seat

Embraer Legacy 650 and an eight-seat Bombardier Learjet 45XR, as well as an air ambulance.

Mohamed Ahmed, co-founder of Mayfair Jets commented: "The co-operation allows for tailored travel solutions to meet diverse customer needs. Whether it's a combination of private jet travel and commercial flights for a business trip or a luxury vacation package that includes both services, customers can enjoy personalized travel experiences. Euroairlines' distribution strategy plays a crucial role in expanding their market reach, enhancing customer engagement, and driving business growth in the competitive aviation industry. By leveraging a diverse mix of distribution channels, they can effectively connect with travelers and deliver seamless booking experiences co-operation between Mayfair Jets and Euro Airlines has the potential to create a synergistic relationship that benefits both companies and their customers alike."

Antonio Lopez La?zaro, CEO of Euroairlines, said: "Mayfair Jets is one of the largest private jet and charter airlines in the world and we at Euroairlines are delighted to be able to contribute to their success with our global distribution tools. We are very fortunate that they have trusted us to expand into more markets and that more and more travellers are satisfied with Mayfair's comfort and Euroairlines' customer service."
