

RUSSIA STOPS KOGALYMAVIA FLIGHTS ON AIRBUS A321 AIRCRAFT: INTERFAX

News / Airlines

Russian transport regulator Rostransnadzor has told **Kogalymavia** airline to stop **flights on Airbus A321** aircraft until the causes of a crash involving a Kogalymavia Airbus A321 in Egypt on Saturday are known, Interfax reported on Sunday.

But RIA news agency cited a Kogalymavia representative as saying that the airline had not received the order from Rostransnadzor.
