News / Airlines

S7 Group¹ member airlines summarized the results of their activity in July 2015. During the last month the airlines carried 1 177 358 passengers, which is 7.2% more than in July 2014.

Main growth was still indicated on domestic routes. In July 822 852 passengers took flights of S7 Group airlines within Russia, which is 11.5% more than a year before.

Comparing with July 2014 the total number of flights grew by 5.9% - on the whole the airlines performed 8 619 flights.

During one month passenger turnover grew by 5.4% and reached 2 436 906 thousand pkm., cargo turnover grew by 4.5% up to 227 768 thousand tkm.

“In July regular flights on touristic routes were in demand, for some popular destinations we increased the frequency of flights comparing with the last year, in particular – to Simferopol, Alicante, Burgas, Athens. Despite the high season, growth of the number of flights and passengers carried, S7 Airlines is still ranked the first in punctuality of flights among all airlines in the world”,

Igor Veretennikov, S7 Airlines Strategy Director, noted.
