Seawings, the only luxury seaplane tour operator within the Arabian Peninsula, has launched 'Seawings Air Cruise Holidays' – a collection of handpicked holidays that combines seaplane excursions with exceptional hospitality experiences at leading luxury hotel and resort properties within the United Arab Emirates and Oman.

Seawings Air Cruise Holidays is a natural extension of the Seawings Lifestyle concierge service, which offers scenic aerial tours and charter flights within Dubai, Abu Dhabi and the surrounding region. Bespoke holiday packages can be tailored to highlight the charms of a specific locale within the United Arab Emirates or Oman, while providing guests an opportunity to experience authentic Arabian hospitality at its best.

All Air Cruise Holiday offerings can be tailor-made, with guests able to enjoy the region according to their own personal tastes, interests and demands. A seven-night holiday package starts at USD 3,115 - High Season (Oct 1 – Apr 30) & USD 2,625 - Low Season (May 1– Sep 30). All packages include a combination of luxury seaplane and road transfers with guests able to upgrade room types or extend their stays.

Luxury accommodation options in the U.A.E. include signature properties and brands such as Anantara, Bab Al Shams, Le Royal Meridien, Park Hyatt, Banyan Tree, Six Senses and Al Maha Desert Resort & Spa.

CEO of Seawings Stuart Wheeler said: "The vision of Seawings Air Cruise Holidays is to provide people with unique holiday experiences that showcase the very best of what the United Arab Emirates and its neighbors have to offer. Adding to our seaplane experience, Air Cruise Holidays makes the journey as exciting as the destination."

The seaplane experience includes luxury seating and an exciting water take-off and landing onboard a spacious Cessna Caravan Amphibian Seaplane. Additionally, every seat is a window seat, offering unparalleled views of the U.A.E. and Oman's natural and man-made iconic landmarks.

Wheeler added: "We encourage travel agents around the world renowned for providing quality lifestyle experiences to join us in the promotion of these unique offerings, and eagerly look forward to hearing the feedback and stories of our many delighted guests."
