

XIAMEN AIRLINES EXPANDS FLEET SIZE TO 130 BOEING AIRPLANES

News / Airlines

A brand new Boeing 737-800 aircraft Monday landed smoothly at Xiamen Gaoqi International Airport (XMN) and joined the fleet of Xiamen Airlines (MF), which is the 18th Boeing aircraft introduced by the airline this year.

The 737-800 aircraft, Registration B-6819, is the third of the 44 all-economy 184-seat 737-800s.

The arrival of the new aircraft brings the airline's all-Boeing fleet size to 130 aircraft, consisting of 17 737-700s, 101 737-800s, 6 757-200s and 6 787-8 Dreamliners.

The airline is scheduled to take delivery of 4 more all-economy 184-seat aircraft by the end of the year.
