

FLYDUBAI ANNOUNCES DAILY FLIGHTS TO PRAGUE

News / Airports / Routes

Dubai-based flydubai has announced that it will begin daily operations to Prague from 01 July, an increase from four weekly flights. With this additional frequency, flydubai will operate a total of 49 flights a week to 11 points in Central and Eastern Europe.

“We are delighted to offer more flights to Prague,” commented Ghaith Al Ghaith, Chief Executive Officer of flydubai. “Prague remains a popular destination for our passengers in the GCC. We also look forward to providing those in Europe with more choice and more opportunities to visit Dubai and beyond on our network. Our strategic base in Dubai allows passengers to benefit from flydubai’s interline agreements with other carriers, providing opportunities for onward travel to more than 200 destinations.”

flydubai has been operating flights to Prague since 2014. Alongside Belgrade, Bratislava, Bucharest, Skopje, Sarajevo, Sofia and Zagreb, it is part of the airline’s network in Central and Eastern Europe. Renowned for its cathedrals, courtyards and culture, Prague is one of Central Europe’s most popular destinations. Travellers can enjoy the Baroque architecture in the Old Town, take in the stunning views from Charles Bridge, discover the largest ancient castle complex in the world at Prague Castle and watch time go by at the Prague Astronomical Clock.

“With the start of daily flights to Prague we are offering greater convenience and the value for money that our passengers expect. With WiFi connectivity and Live TV as our latest product offerings, flydubai is an airline that continues to innovate,” said Jeyhun Efendi, Senior Vice President Commercial (UAE, EU, ME, CIS) for flydubai.

flydubai offers its passengers a variety of features on board including an award-winning inflight

entertainment system, comfortable seating and hot meals. Business Class passengers can enjoy a spacious seat, a choice of meals from an internationally-inspired menu, a generous checked baggage allowance and fast track through immigration and security. In addition, Business Class passengers have access to business lounges across the network and a dedicated 24-hour Business team to assist with bookings and attend to enquires throughout their journey. Operating out of Terminal 2, Dubai International, flydubai offers its passengers a convenient and efficient way to arrive and depart from Dubai.

flydubai recently introduced WiFi connectivity and Live TV for the first time on selected flights as the airline continues to roll out the service across the rest of its fleet.
