

IN JUNE HEYDAR ALIYEV INTERNATIONAL AIRPORT ACHIEVED HIGHEST GROWTH RATE IN PASSENGER TRAFFIC

News / Airports / Routes

In January-June 2017, Heydar Aliyev International Airport served 1.69 million passengers, which is 31 percent more than the same period of last year. Only in June 322,000 passengers were served, it is the highest figure for the first time since 2014 on the total number of passengers and since 2012 - on growth indicator.

During the first half of this year Azerbaijan Airlines (AZAL) carried 960,000 passengers, 252,000 of which were carried on domestic flights.

85 percent (1.438 million) of passengers were carried by international flights. 49.2 percent of the total international traffic of the airport accounted for Azerbaijan Airlines, 50.8 percent - foreign air carriers.

At present, flights are operated from Heydar Aliyev International Airport to 53 airports in 50 different cities.

In June, Russian airline IRAERO started flights from Krasnoyarsk to Baku. Starting from September this year, flights of Azerbaijan's low-cost airline Buta Airways are expected.

It should be noted that FlyDubai started regular flights to Gabala airport from July this year.

The new airport terminal of Heydar Aliyev Airport (Terminal 1) was put into operation in April 2014. Its total area is 65,000 square meters.

Heydar Aliyev International Airport was awarded the category of "4 stars" by the Skytrax, which is influential British consulting company specializing in the study of the quality of services provided by various airlines and airports worldwide.

In March this year Baku Heydar Aliyev Airport was named the best airport among airports of Russia and CIS countries for the level of the provided services, being awarded the prestigious Skytrax World Airport Awards.
