ACJ PARTNERS WITH CITADEL TO EXTEND ITS SERVICE CENTRE NETWORK

News / Business aviation, Events / Festivals, Manufacturer

Airbus Corporate Jets has signed a partnership agreement with Citadel Completions LLC, based in Chennault International Airport, Louisiana, USA, to enter the ACJ Services Centre Network. Citadel will provide to ACJ customers a wide spectrum of capabilities, including maintenance, engineering, modification and upgrade services. The signature took place at MEBAA Show 2022.

The ACJ Service Centre Network already has locations in Dubai (UAE), Xiamen (PRC), Basel (Switzerland), Bordeaux (France) and Indianapolis (US). Capabilities include all maintenance related activities, cabin-refurbishing and cabin/system upgrades, giving ACJ customers/operators a globally approved network of facilities to rely on.

Citadel delivers superior customized service to its clients and is focused on design excellence and on-time aircraft redelivery. The company's exceptional facilities include a 10,000 ft runway to accommodate the largest aircraft and a highly skilled labour force for heavy maintenance, repair and overhaul services. The facility covers a sprawling 260,000 square feet, and its multiple hangars can accommodate multiple aircraft projects simultaneously. Citadel can support aircraft registered worldwide and holds Part 145 Repair Station certifications from the U.S. Federal Aviation Administration.
