

AVIAPAGES.COM AND FLIGHT CONSULTING GROUP ARE ENLARGING THE JOINED COOPERATION

News / Business aviation

B2B online platform for business aviation, **Aviapages.com** and Latvian Business Aviation Holding **Flight Consulting Group** are joining their knowledge, expertise and technologies in order to provide the industry with new and even more convenient solutions.

Flight Consulting Group (FCG) and Aviapages.com have signed the agreement, which will allow the both companies' clients to benefit and utilize the most modern and advanced developments.

In particular, Aviapages.com will share its technologies for the further improvement of ATOM system, which is widely used by the FCG on the daily basis. The new modules will be dedicated for even more precise preliminary flights calculations, and will be accomplished by winds, weather monitoring as well as NOTAMs notifications for the future routes.

Aviapages.com will be able to supply its subscribers with the wide database of thousands airports, including FBO and handling companies as well as fuel suppliers. The information will contain the companies' names and their addresses, access maps as well as VIP terminals pictures.

«FCG ATOM – is our self-developed product. The system monitors all holding structures, representatives, services suppliers and clients on the 24/7 basis. We are very sensitive and care

about the quality and services we are delivering, therefore we decided to delegate the design of the preliminary flights calculation module to the industry professionals. As a result of the careful selections, we have chosen Aviapages.com, as it is the optimal solution available on the market today. We hope that our cooperation with Aviapages.com will develop in future as well as FCG ATOM capabilities will be enlarged» - mentioned Mr. Roman Starkov, the FCG's Member of Board.

“We are very glad that our unique and self-developed technologies have been highly evaluated by such an important market player as FCG. We are also confident that the synergy effect of cooperation between FCG and Aviapages.com will be highly appreciated by the clients of the both companies in the nearest future and allow them to benefit from even more quality products and services”, added Mr. Yuri Dzun, the Brand Development Partner of Aviapages.com.
