COMLUX LAUNCHES NEW VIP FLIGHT SERVICE PROGRAM WITH ONEABOVE BY COMLUX

News / Business aviation

Fly Comlux, the VIP operator of the Comlux group, is pleased to announce the launch of a new VIP flight service program called OneAbove by Comlux.

OneAbove (1A) will be in charge of providing flight travel solutions to high-end customers from the fleet of VIP aircraft operated by Fly Comlux, and also on other VIP aircraft carefully selected and operated by third party operators all over the world. With this new service, OneAbove is offering wider aircraft choices and locations to its clients, allowing less positioning flights and more competitive pricing.

With main offices in Switzerland, OneAbove will be serving its worldwide clientele on a 24/7 basis. For the Americas market, which is one of the strongest around the world for VIP travel, OneAbove has opened a dedicated office based in Miami, FL.

Andrea Zanetto CEO Fly Comlux says "I am extremely excited about the launching of OneAbove by Comlux. This expansion in our charter business was driven by a high demand from our customers to have aircraft available around the world and at the same time aircraft operators willing to outsource their charter sales activity. Our young and dynamic team of charter sales specialists is extremely motivated and excited by this new venture. We will be announcing some new aircraft that we will be adding to our fleet soon".

With its fully integrated in-house structure, the Fly Comlux division keeps serving its VIP aircraft owners at the highest standards of the business aviation industry. Flight ops, Ground ops, Crew training, Financing and Customer Service departments are in place 24/7 to simplify their travel needs and to provide the highest quality of service during their flights.

Comlux is one of the leaders in business aviation, operating worldwide with the highest standards of safety and quality. In addition to its dedicated VIP flight service program OneAbove by comlux, Comlux offers a comprehensive set of services to VIP customers who wish to have their own aircraft managed personally and professionally. This includes exclusive aircraft management, sales and acquisitions, VIP cabin design and completions as well as aircraft maintenance and engineering services.
