

DC AVIATION AL-FUTTAIM SIGNS TWO AIRCRAFT CONTRACTS

News / Business aviation

DC Aviation Al-Futtaim (DCAF) has expanded its management fleet with two new business jets. DCAF will operate a Bombardier Challenger 604 and a Gulfstream G200 on behalf of the private owners.

The company also manages a Bombardier Global XRS and another Challenger 604.

“We are extremely pleased with the continued interest from aircraft owners and operators seeking our expertise to manage their assets both commercially as well as under private operation. The contract with the Challenger aircraft also marks our entry in to the Charter business. These new agreements provide further evidence of our ability to deliver the highest service and quality standards to our VIP customers.” said Holger Ostheimer, general manager, DC Aviation Al-Futtaim.

“We are extremely pleased with the continued interest from aircraft owners and operators seeking our expertise to manage their assets both commercially as well as under private operation.”
