

DEER JET LAUNCHES VIP JAPAN CHERRY BLOSSOM TOURS

News / Business aviation

After the success of its private jet travel itineraries, this year China-based premier private jet operator Deer Jet has announced the launching of new bespoke travel itineraries beginning with Japan favourite cherry blossom season between March and April.

For this trip, Deer Jet is using its newest fleet of Gulfstream G550 and G450 aircraft to deliver its internationally awarded luxury hospitality services. These aircraft are known for their unique cabin engineering, with windows designed to infuse natural light, advanced systems introducing 100% fresh air, sound suppression technology and very low altitude pressurization. The natural light, quiet cabin and fresh air help guests arrive to the destination rested and refreshed.

Gulfstream G550 Cabin design

Deer Jet plans to fly the first group of travellers at the end of March. The private jet service is available from China, flying nonstop to Osaka for a week of exclusive cultural, natural and recreational activities across the best cherry blossom spots including Osaka, Kyoto, Amanohashidate, Hokade and Ine.

Offered during Japan's most beautiful season, packages include round private jet flights for limited groups of 10, limousine transfers and 5-stars accommodation at properties including the Ritz-Carlton in Osaka and Kyoto, and Onsen experiences at luxury resorts Kinosaki and Nishimuraya.

The Ritz-Carlton Osaka

Relying on its more than 22 years of expertise, Deer Jet is bringing travellers to captivating destinations around the world and allowing them to follow their passion for nature, arts and culture.

The company is known for its travel itineraries offering guests VIP access to events such as the Australian Academy of Cinema and Television Arts Awards (AACTA) and unique experiences with celebrated writers, architects, designers, artists, film directors and celebrities.

“Deer Jet designs each itinerary around customer’s passions. This itinerary takes guests to the best and most beautiful places to appreciate the cherry blossom, an iconic symbol of Japan, celebrated and present in nearly every object of Japanese life and culture.” said the company.

Once in Japan, guests indulge in health retreats at exclusive geothermal springs such as Gora Kadan, one of Japan’s most luxurious Ryokans located in Hokane National Park. As signature of Deer Jet, its selection of premier travel brands ensure travellers the best personalized attention and outstanding services both in the air and on land.

Gorakadan Onsen

After 22 years in operation, Deer Jet now flies to 800 airports across 180 countries and territories, offering aircraft management, brokerage, ground handling, FBO, air medical, luxury travel, and on-demand charters. The company has also expanded into luxury helicopter, superyacht charters, and luxury tour packages to captivating destinations including Tahiti, Paris, Rome, Japan, Thailand, and Australia.
