

FALCON 6X MAKES DEBUT AT MACAU FBO, HANDLED BY TAG MACAU FBO

News / Business aviation

TAG Macau FBO announced successful arrival of the Falcon 6X at Macau FBO and the opportunity to handle this state-of-the-art aircraft. The Falcon 6X, recently certified by the European Aviation Safety Agency and the U.S. Federal Aviation Administration, marks a new era in business aviation with its cutting-edge technology and exceptional performance.

Rita Tam, General Manager, TAG Macau FBO commented: "TAG Macau FBO would like to take this opportunity to express our sincere gratitude to Dassault Falcon for entrusting us with the handling of their prestigious aircraft. We are honoured to be chosen as a preferred FBO for this remarkable aircraft and appreciate the trust placed in our team. The Falcon 6X is a remarkable aircraft that embodies innovation, comfort, and performance. Our team is fully equipped to provide top-notch service and support to ensure a smooth and enjoyable experience for the aircraft owner and their guests."

The debut of the Falcon 6X at Macau FBO highlights TAG' commitment to offering outstanding services to their esteemed clients. TAG Macau FBO takes pride in providing unparalleled support and customized solutions to meet the unique needs of every aircraft owner and operator. With the addition of the Falcon 6X to the portfolio, TAG continue to expand their capabilities and deliver exceptional service excellence.

Falcon 6X sets new standards in the long-range business jet segment with its spacious and advanced design. Recognized with prestigious design awards such as the Red Dot Award and the

International Yacht & Aviation Award, the Falcon 6X combines Dassault Aviation's expertise in both business and fighter aircraft to deliver unmatched passenger comfort and maximum mission flexibility.
