FLEXJET TAKES ITS FIRST LEGACY 500 JET

News / Business aviation

Embraer Executive Jets has delivered the first **Flexjets Legacy 500 jet.**

> “It’s a great privilege to have been selected by Flexjet for the expansion of its world-class fleet.”

Marco Tulio Pellegrini, president & CEO, Embraer Executive Jets said: “It’s a great privilege to have been selected by Flexjet for the expansion of its world-class fleet. The Legacy 500, and soon the Legacy 450, will deliver true innovation to Flexjet customers, and we are committed to providing the highest level of customer support and service.”

> “We know that current and prospective Owners are seeking cabins that are larger and more luxurious than those typically found in this category, complemented by the newest technology and optimized performance.”

Michael Silvestro, CEO of Flexjet added: “We know that current and prospective owners are seeking cabins that are larger and more luxurious than those typically found in this category, complemented by the newest technology and optimized performance. We are thrilled to bring the innovative Legacy midsized cabin solution to the market starting this month.”

Flexjet’s fractional program already features the Embraer Phenom 300 light jet.
