

GENEVA AIRPARK RECORDS AN INCREASE IN ITS ACTIVITIES IN 2024

News / Business aviation

With some increases of around 10%, a confirmed trend for the hangaring of aircraft out of the winter season and a wide variety of aircraft sheltered, Geneva Airpark records an increase in its activities for 2024 and the winter of 2024/2025.

Annual solution for 22 aircraft

The resident fleet of aircraft with an annual option hosted by Geneva Airpark includes **a wide variety of business jets**, from the Pilatus PC-12 to the Bombardier Global 7500. This diversity increased in 2024 and early 2025, with **the integration of new aircraft of all sizes**, such as the Embraer Phenom 300, the PC-12, the Cessna Citation M2, or the Dassault Falcon 8X and the Gulfstream 700 for very long-haul flights. The entire resident fleet managed year-round by Geneva Airpark comprises a total of 16 aircraft of different types.

Daily: Up 11%

In figures: in 2024/2025, Daily activity within the Geneva Airpark infrastructure:

- Number of hangaring days: up 11% vs 2023
- Nearly 170 different aircraft welcomed
- **Parking from 1 to 20 days**
- Nearly 60% of activity was concentrated in the winter season (November/March). In 2023, this share was closer to 75%.

Daily: multiplied by 2 out of winter season

The trend of **higher demand outside winter months** (November to March), which began in 2023, continued in 2024, with **demand increasing particularly in the months of June to August: 25% of the annual demand**, vs 11% in 2023 .

Hangar occupancy: +7%

- Average occupied surface: +7% with **an average of 8,000m²**

- 13 aircraft sheltered per day on average vs 12 in 2023

Hangar: Almost 7,000 towing operations in 2024

- Flight movements **3,500**
- **+ 16.3%** in 2024 v 2023

In total, for the whole of 2024, Geneva Airpark teams carried out **nearly 7,000 towing operations**: almost 3,500 movements related to entry and exit for flights, in addition to **all the movements for operational reasons** such as hangar reorganization and exit/entry for maintenance services.

30,000 services provided

In addition to towing operations for aircraft arrivals and departures, Geneva Airpark performed nearly 30,000 services across all categories.

- **15,000 aircraft services**:, cleaning, water, toilets, EGPU, etc.
- **15,000 items** managed by the in-house laundry service
