

IADA ADDS 10 NEW PRODUCTS AND SERVICES COMPANIES TO ITS ROSTER

News / Business aviation

Ten new business aviation companies have been vetted, verified and accepted as new Products and Services members by the International Aircraft Dealers Association. There are now a total of 79 Products and Services members, 50 accredited aircraft dealers and seven OEMs that belong to IADA.

The latest companies to join the growing ranks of IADA's Verified Products and Services members are:

Aeronautical Systems, Miami Lakes, Fla.

AV8 MRO LLC, Houston, Texas

Dassault Aircraft Services, Little Rock, Ark.

HCH Legal, Potomac, Md.

JetValues-Jeremy LLC, Waterloo, Ill.

Priester Aviation, Wheeling, Ill.

Scope Aircraft Finance, Columbus, Ohio

ServiceElements International Inc., Scottsdale, Ariz.

Shearwater Global Capital, Atlanta, Ga.

Silicon Valley Private Bank, Santa Clara, Calif.

"The IADA Board of Directors welcomes these well-qualified companies into our organizations," said IADA Executive Director Wayne Starling. "These 10 companies, like all of our Verified Products and Services members, have been thoroughly vetted to assure adherence to the highest standards of ethical behavior and skilled aviation expertise."

Below, IADA's newest Products and Services members describe their business offerings:

Aeronautical Systems

Joseph (Joe) T. Zulueta, ASA, the Managing Partner of Aeronautical Systems Inc., possesses broad aviation expertise, including jet aircraft valuation consulting at all levels, technical inspections and retrospective, current and future value appraising of aircraft assets. He has been an independent aircraft appraiser and surveyor since the early 1990s. Mr. Zulueta has also been intimately involved in aviation financial analyses, fleet evaluations, contract maintenance and inspection "return" provisions, physical aircraft inspections, historical record auditing, redelivery services and remarketing strategies.

AV8 MRO LLC

Specializing in the overhaul and repair of corporate aircraft landing gear, electrical, mechanical & hydraulic components, AV8 MRO has decades of experience in the development, implementation and certification of overhaul processes that deliver outstanding value to their customers.

As an FAA Approved Repair Station and EASA-Approved Repair Station, AV8 MRO offers solutions for components such as:

Landing Gear

Flap Screw Jacks

TKS Panels

Stabilizers & Flight Control Surfaces

Servo Overhaul

Actuator Overhaul (Leading Edge)

Valve Overhaul (Anti -skid Control)

And Many Others

Dassault Aircraft Services

Now it's time to discover the benefits of Dassault Aircraft Services (DAS). DAS provides an unparalleled level of service in Falcon maintenance, interior refurbishment and reconfiguration as well as avionics upgrades, aircraft paint, engines, major and minor structural repair, pre-purchase evaluations, and solutions for upcoming FAA mandates. Consistently exceptional service, clear communications, and an overall commitment to customer satisfaction are the standard operating procedures at DAS.

HCH Legal

HCH Legal was founded in 2015 by a group of former large-firm lawyers seeking to build a better service platform for demanding multinational clients. We combine decades of direct experience with clean-sheet thinking to bring our clients' plans to fruition. We support clients in all sectors of the aviation industry with transactional and regulatory expertise, and effective guidance. Private aircraft operators, charter operators, commercial air carriers, FBOs, MROs and aviation investor groups rely on HCH Legal.

JetValues-Jeremy LLC

Known in the Industry as 'JetValues Jeremy.' I am very active in the aviation industry. I currently hold valid A&P, IA, and FCC Licenses and a Commercial Pilots' Certificate with Instrument Rating. As a former member of the Society of Licensed Aircraft Engineers and Technologists, I was elected by the Royal Aeronautical Society as a Technician of the Society in 1987. During my varied career, I have been very active within the Greater St. Louis Business Aviation Association, National Business Aviation Association, the Popular Flying Association, the Experimental Aircraft Association; and the Aircraft Owners and Pilots Association.

Priester Aviation

Priester Aviation is one of the largest and most experienced private aviation companies in the United States. Our services include executive jet charter, aircraft management, and aviation consulting.
