

INAUGURAL IRISH BUSINESS & GENERAL AVIATION ASSOCIATION CONFERENCE - INTERVIEW WITH JOE BUCKLEY

News / Business aviation, Events / Festivals

When a new event is announced, it's obvious to ask the questions: how will it be different from other events in the industry, what makes it special?

50skyshades is pleased to be an official Media Partner of the Inaugural Irish Business & General Aviation Association conference. It is more than important for us to get our questions answered "at the source" so we had the pleasure of speaking with Joe Buckley, IBGAA Founding Executive Director :

As Joe said, it is still possible to register and participate in this event that promises to be out of the ordinary.
