

# JET PARTNERS LAUNCHES DIRECT VIP FLIGHTS TO GRENOBLE

News / Business aviation

Russian company **JET PARTNERS** launches the weekly **VIP direct flights to Grenoble**. As noted in the company, VIP-direct flights to ski resorts for New Year's holiday (Courchevel, Meribel, Val de Zire, Megeve) is an affordable alternative to private jets and business class tickets that are no longer for sale. Boeing Business Jet (BBJ1), designed to carry 56 passengers (mono business class) will operate this route. Flight will be carried out from 27 December (Vnukovo-3 - Grenoble (business aviation terminal GAT)) till 10 January.

Regarding costs: 4800 euros both ways / 2400 euros one way. There are discount prices for children, and partners are offered 7% commission.

The cost includes "the first parking" - direct access to the business jet from the terminal, private menu, children's play sets, accessories for rest on board a wide range media-entertainment, unlimited baggage, personal Flight manager (assistance in passing customs), the possibility of transportation of pets and services in the business aviation terminals (Vnukovo-3, Grenoble)

"Flights are fully secured and prepaid. For more information contact Vnukovo-3 and Grenoble GAT +33 (0) 4 76 93 49. The aircraft is in our exclusive management, and is also available for private charters, "- said in Jet Partners.

Jet Partners already has a huge experience of direct VIP flights on TOP destinations. Summer 2015 the company executed direct weekly VIP-flights to Pisa program (from 18 July to 29 August). "The direct flight to inaccessible ski resorts, business aviation terminals and the lack of restrictions on the luggage will ensure maximum comfort for clients. Cost of flight is comparable to the cost of business-class of regular airlines, but the level of service is definitely high-end business aviation service "- sums up the company.

Jet Partners begun to work back in 2008. The company now operates in several segments and has exclusive contracts with aircraft owners, which allows to obtain the best prices for the organization of flights, including planes that are not on the open market. The company also offers corporate charter, air taxi, air ambulance and cargo. Recently added sports charters, shift transport and helicopter transfers.
