

JETSMARTER'S DEBUT PRIVATE JETSHUTTLE SERVICES TAKE OFF IN EUROPE

News / Business aviation

Members of revolutionary app JetSmarter can now enjoy free flights on private jets between key European cities, via its JetShuttle service. JetSmarter is the fastest growing private jet company in the world, and aims to democratise private jet travel by eliminating hours at the airport, and mitigating travel time spent flying commercial.

JetSmarter allows users to quickly and easily book private jet travel from their smartphones. Already available in the US for the last three years, the app now offers a European JetShuttle service; a scheduled private jet running between London, Paris, Nice, Geneva and Moscow. Seats can be reserved at the touch of a button, and are free, and at a first-come, first-serve basis for members.

Available via the JetSmarter app now, European JetShuttle routes are:

- London to Nice
- London to Paris
- London to Geneva
- Paris to Nice
- Nice to Moscow

Additional JetShuttle routes will be launched in time for the summer holiday season between

London and Ibiza, and Nice and Olbia (Italy).

Each JetShuttle, depending on the chosen route, can accommodate between six and fifteen passengers. While the app can be downloaded and used without signing up as a member, through JetSmarter's membership programme, which costs \$9,675 USD (around GBP6,680) annually, flights on the JetShuttles are unlimited and free. In the coming months, JetSmarter plans to expand the JetShuttle service across more European cities.

“Due to the vast success of Jetsmarter in the United States and the Middle East, we are expanding the JetShuttle service throughout Europe, and are excited to broaden consumers' access to it,” said Sergey Petrossov, founder and CEO of JetSmarter. “With the convenience of these private flights between popular destinations, we are proud to be the first to offer this transportation option, and expand our community to Europe.”

Currently, JetSmarter operates out of offices across the globe in cities including Zurich, London, Moscow, Dubai, Riyadh and Fort Lauderdale, Florida. Currently, JetShuttles are available across the United States in cities including New York, south Florida, Chicago, Las Vegas, San Francisco, Atlanta and Los Angeles, as well as in the Middle East in Dubai, Riyadh, Kuwait, Abu Dhabi and Jeddah.
