ONE AVIATION AND SCHEME DESIGNERS ENTER AGREEMENT FOR CONCIERGE DESIGN SERVICES

News / Business aviation

Scheme Designers and ONE Aviation have entered into an agreement to provide concierge level design consultation for each customer buying a new Eclipse 550 aircraft. As part of this arrangement, Scheme Designers will design the factory standard paint scheme for the Eclipse 550 and will provide personal color selection consultations with each customer, at no extra charge to the customer.

“Owners of the Eclipse 550 expect next-level style and elegance of everything in their life. Scheme Designers has earned a reputation for being able to bring a customer’s vision and personality to life in their aircraft livery, making them an excellent partner for ONE Aviation and Eclipse family of owners and operators.” Said Alan Klapmeier, ONE Aviation’s CEO.

Scheme Designer’s President, Craig Barnett, said of the relationship, “We have enjoyed a creative and forward-looking relationship with the ONE Aviation team and we are excited and energized about our expanded offering to provide Eclipse 550 customers with an unexpected service for their
