

ORIENS AVIATION APPOINTED AS PILATUS DISTRIBUTOR AND SERVICE CENTRE

News / Business aviation

Oriens Aviation has been appointed as a **Pilatus** distributor and authorised **service centre** in the UK. The company has ordered three PC-12s for delivery next year.

Edwin Brenninkmeyer, Oriens Aviation CEO, says that he has already seen a great deal of interest in the PC-12.

Although the order book for the PC-24 jet is currently closed, Oriens say they would like to become the UK distributor for the aircraft once Pilatus start taking orders again.

“For the time being, we are focussed on PC-12 sales however, we are getting numerous enquiries for the PC-24 and we hope to be able to help these clients very soon.”
