

SKY VALET OPENS MALAGA FBO

News / Business aviation

Sky Valet has opened a new FBO in Malaga, Spain.

Sky Valet launched in 2015. It offers ground handling services to passengers, crew members and aircraft at Madrid, Barcelona, Girona, Valencia, La Coruña, Santiago de Compostela, Palma de Mallorca and Ibiza airports. These FBOs are all coordinated from an operations centre in Madrid.

Sky Valet is committed to the IS-BAH standard throughout its network.

“We’re delighted with the addition of a new station in Malaga which fully meets the requirements of our clients and the development objectives of the Sky Valet network, broadening our expertise throughout the Spanish market.”

Dominique Thillaud, chairman of the Management Board of Aéroports de la Côte d’Azur Group and of Sky Valet, said: “We’re delighted with the addition of a new station in Malaga which fully meets the requirements of our clients and the development objectives of the Sky Valet network, broadening our expertise throughout the Spanish market.”

“Sky Valet’s customers can rely on professionalism at major airports, the strongholds of business aviation in Europe.”

Michel Tohane, executive vice president of Sky Valet, added: “Sky Valet’s customers can rely on

professionalism at major airports, the strongholds of business aviation in Europe. This move is consistent with the strategy to develop Aéroports de la Côte d'Azur Group's General Aviation activities, initiated in 2013 with the acquisition of the Saint-Tropez Airport.”
