

SPIRIT AERONAUTICS TEAMS WITH MANION AVIATION

News / Business aviation, Maintenance / Trainings

Manion Aviation has joined the Spirit Aeronautics sales team and now represents Spirit Aeronautics for MROservice sales on a variety of business aircraft. Manion Aviation provides front-end technical sales representation across North America, South America, Europe and Asia.

“Spirit Aeronautics is on the fast track, and we are excited to be a part of its growth plan,” said Jeff Manion, Manion Aviation founder and CEO.

The Manion Aviation team consists of Jeff Manion, Marty Owens, Bill Johnson, Hal Stephens, Rick Scott, and Jack Levandowski. Together they have more than 180 years of maintenance and modifications experience while working for Bombardier, Dassault Falcon Jet, Duncan Aviation, StandardAero, Cessna, Gulfstream, American Airlines and Camp Systems.

Spirit Aeronautics is engaged primarily in the refurbishment, design, development, completions, management, engineering, material supply, integration and sustainment of business, VIP, military and government aircraft.
