

TOP 50 BUSINESS AVIATION AIRPORTS WORLDWIDE IN JULY 2015

News / Airports / Routes, Business aviation

Business & Commercial Aviation

[Teterboro Airport](#) in Teterboro, N.J., was the most popular business aviation airport in July 2015, according to an analysis of [acukwik.com](#) flight planning traffic.

[Paris Le Bourget Airport](#), [Fort Lauderdale Hollywood International Airport](#), [Opa-Locka Executive Airport](#) in South Florida and [Los Angeles International Airport](#) complete the top five for the month.

Airports in the United States, France, Canada and Mexico placed in the top 10 most popular airports.

Airports that dropped out of the top 50 between June and July include: CYHU, CYYC, EDDB, EGSS, EINN, KBED, KMDW, KSFO, LFSB, LIMC, LIRQ, LKPR, LSGG, MMSD, OMDW, TJSJ and TNCM.

Jumping into the list of the top 50 airports in July after not ranking as high in June are: CYFB, CYR, CYYT, KBGR, KEGE, KELP, KFXE, KJFK, KPDK, KPHX, KSAN, KSDM, KTUS, LEIB, LEPA, LFMD, LIEO and LIRN. Several of these airports — [LEIB](#), [LEPA](#), [LFMD](#), [LIEO](#) and [LIRN](#) — serve seaside cities in southern Europe.

The full list of the top 50 airports are listed by their identifiers.
