Katy Perry will set the stage for the launch by performing exclusively at the invitation-only Dubai Airshow Gala Dinner on November 10.

Her performance will include international hits like 'Firework', 'I Kissed A Girl' and 'Roar'.

Dubai Airports' CEO Paul Griffiths, a musician himself, says: "Much like Dubai International, music connects people from all walks of life, all ages and all cultures around the globe. We believe the two will work together in absolute harmony to engage and delight our customers in the airport and across our social media platforms. We are thrilled to launch the programme with such high profile superstars, but our goal is to also put the spotlight on up-and-coming talent from Dubai, the UAE and around the globe who have proven their passion and ability to entertain our growing fan base on the world's largest stage."
