Russia's **Aeroflot** will initiate and fully subscribe to a capital increase in **Orenair** subsidiary as part of the group's multi-brand renewal strategy. Orenair provides flights to leisure destinations.

In November 2011, Aeroflot [received](#) 100% shares of OrenAir from Rostekhnologii (Rostec), a state corporation controlled by the Russian Federation, together with shares of four other regional carriers like [Rossiya Airlines](#), Saratov Airlines (Saravia), SAT Airlines and Vladivostok Avia. The carrier created [Aurora Airlines](#) from the last two companies and sold Saratov Airlines.
