

JET FLIGHT SERVICE OPENS NEW MAINTENANCE SERVICE CENTER IN RIGA AND APPOINTS FRANTISEK BUDIN TO THE POSITION OF BASE MAINTENANCE MANAGER

News / Business aviation, Maintenance / Trainings

et Flight Service with its headquarter in Moscow opens New Maintenance Service Center in Riga which belongs to its strategic plan of developing their maintenance and engineering services to international clients. New maintenance facility will provide Line Maintenance Services and Base Maintenance Services for Embraer aircraft(Legacy 450/500/600/650) and Gulfstream aircraft(G350/450/550/650).

Jet Flight Service appoints Frantisek Budin to the position of Base maintenance Manager of its new Maintenance Facility in Riga. Frantisek Budin joins the company with immediate effect, his extensive skills in aircraft maintenance and experience of working with Embraer aircraft means that his is a seamless match for his new role with Jet Flight Service.

Frantisek Budin is well known in aviation world thanks to his extensive knowledge and experience with Embraer business aircraft which he specialized in last 15 years and aircraft maintenance he worked almost 30 years. Prior to joining Jet Flight Service, he had spent 13 years with ABS Jets as Base Maintenance Manager and Technical Director where his main responsibilities were aircraft deliveries, incoming and pre-buy inspections, budgeting and forecasting for maintenance department.

*Speaking about Frantisek 's appointment Jet Flight Service CEO **Kirill Trushkovskiy** said “I am very happy to welcome Frantisek Budin to our team, his extensive experience and expertise will be a major asset to our team. This appointment ensures that we can move forward with the plan to further enhance our portfolio of maintenance and engineering services in Moscow and Riga.”*

***Frantisek Budin** added “Joining Jet Flight Service is a great accomplishment for me and I am delighted to become part of a company and I look forward to implementing strategies that will ensure the company delivers outstanding services to its customers.”*
