

PULL UP ACADEMY FLIGHT SCHOOL HAS CHOSEN THE SONACA 200

News / Maintenance / Trainings

For the 5th edition of the Portugal Air Summit, which takes place from October 13 to 17, 2021, the Pull Up Academy flight school announced that it has selected the Sonaca 200 to reinforce its fleet of training aircraft.

"Pull Up Academy aims to provide the most professional training to student pilots by preparing them for the complex environment that the air transport industry has become. The Sonaca 200 Trainer Pro1, equipped with proven technologies and certified instruments, will allow our students to become familiar with the work of an airline pilot thanks to the use of avionics, the accuracy of the data and also by training on a powerful, reliable and "trustworthy" aircraft which has proven its efficiency in its training mission. » João Roque, Co-Founder & Manager at Pull Up Academy.

"We are honored that Pull Up Academy has chosen to use the Sonaca 200. This new sale reinforces Sonaca Aircraft's international expansion and its positioning with pilot training schools." said Pierre Van Wetter, Chief Commercial Officer of Sonaca Aircraft.
