Macau, Sihanoukville and Palau from its bases in Phnom Penh and Siem Reap. The airline's fleet now stands at 9 aircraft, all of which are A320 family.

Rusada will begin the implementation project immediately with a view to go live by the end of the year. Lanmei have signed on for 9 of ENVISION's modules including Base, Line and Component Maintenance, as well as Finance & Accounting and Human Resources.

Joey Li, Executive VP Maintenance & Engineering at Lanmei Airlines said:

"We chose ENVISION for its wide range of functionality and easy-to-use interface. It was imperative for us to find a system that could seamlessly manage multi-company and multi-country relationships and provide total visibility across our growing organization."

Julian Stourton, CEO at Rusada said:

"This is another really key partnership for us here at Rusada. Lanmei Airlines are an exciting carrier with great ambitions, so to be on this journey with them is a great privilege. We will be there to assist them in any way we can."
